

2024 POLITICAL CONTRIBUTION REFUND (PCR) PROGRAM

The Political Contribution Refund Program is available to individuals who are eligible to vote in Minnesota. Your political contributions made between January 1, 2024, and December 31, 2024, may qualify for a refund, and you may file one refund application per year.

The maximum refund is \$75 for an individual or \$150 for a married couple who files a joint tax return.

A contribution to your BPOU will qualify for this refund. **Contributions must be personal (not corporate or business) and are NOT a tax write-off.**

To receive a refund, a contributor must:

1. Get a receipt from the political party unit to whom the contribution was made. If you contribute \$75 or \$150 tonight, this BPOU's treasurer will send you a receipt, an application form, and instructions on how to request your refund.
2. You will fill out the application form, attach the receipt and mail it to Minnesota Political Contribution Refund at the address on the application form.

This Refund program is not related to the State income Tax form and is to be filed separately from your tax form. You may send in your application as soon as you receive it but no later than April 15th, 2025.

DETACH THIS PORTION AND RETURN IT TO YOUR CONVENER **TONIGHT** or mail to **PO Box 926, Brainerd, MN 56401** WITH CASH OR CHECK. You can also donate by using the QR Code below and a Credit Card.
