

At the County Convention on April 13, 2024, you may be nominated to be elected as a MNGOP State Delegate or Alternate. If elected you are also a Congressional District 8 Delegate or Alternate.

You do not have to be a seated delegate at the County Convention to nominate. If you are an alternate and will not be seated you may still nominate to become a State / CD8 delegate/alternate.

There will be a separate line after you check in to get your name on the state delegate nominated list.

Our County was allotted 40 delegate spots. After tallying of ballots the top 40 will be delegates and others will be ranked alternates according to vote numbers.

As an elected CD8 and State delegate / alternate you may attend those conventions.
